Clarkson is a traditional Czech community with a 1st - 6th grade Catholic School. We are a class 3-system located in the middle of a triangle between Norfolk, Columbus, and Fremont. We have a PK-12 public school enrollment of about 238 students. We continually have a majority of our students perform above the national average.

Clarkson Public Schools has a strong staff and is developing a Career Academy which is allowing students to investigate their career choices. Our students have the opportunity to take several college classes during their junior and senior year. This along with a strong tie into NECC's Fridays for Seniors.
